HERE AND YONDER.

A friend from Ancefeld sent me a newspaper containing a challenge from the Socialists to meet Peter Collins in debate in a Georgia city. Collins and Dave Goldstein are touring the country under the auspices of the Knights of Columbus making speeches to Catholics against Socialism. The Socialists have often challenged these ducks to debate, but these ducks refuse to swim except in their own pond. But, of course "the church" is not in politics. Anybody can see that. The Jew, Goldstein, and the labor fakers, Collins, are on a "holy" mission when going over the country lying about Socialism.

In St. Louis, Friday, two men robbed the paymaster of the Brown Shoe Co. of over ten thousand dollars in the heart of the city in broad daylight. The money was in grips in pay envelopes. As the paymaster drove up to the factory in his automobile and alighted, the men grabbed the grips, forced the chauffeur to speed up and escaped.

Reports say that the "Holy" man over at New Hamburg just about lost his head Sunday. Those people over there who refuse to sneeze every time his Holiness takes snuff are getting a taste of what happened to those who did not have the favor of the priests during the Dark Ages when their power was absolute. Tyants? Why the term is too mild.

Joe Wederhoff spent Sunday at the Cape, returning on the train Monday evening. In estimation revealed that Miss Regina Welter, daughter of Mr. and Mrs. John Welter of Dodge, is at the Cape, which is supposed to have had something to do with Jesus visit.

Byrd Turner of Radman was here Tuesday to have his hair printed. He has the hair, Radio, and a lot of other things. Turner owned by Ted Hoppen. The two boys turned out the search in the kitchen house for Leo Westrich of New Hamburg.

The Kicker editorial a surprise party Sunday when an automobile drove up loaded down with Ed and Bob, Hilleman and Chas. E. of Foranfeld and Gustav Hilleman of Macedonia. After a stay of an hour they returned, promising to come again.

W. J. Stahard, Jas. Blocker and M. H. Witt of near Chaffee were over to see the school superintendent on matters affecting that district last week. It seems that Chaffee wants to waive a part of all of their district, to which they object.

Never within my recollection, was there so much theft, robbery, murder and other crime as at the present time. The daily papers contain little else—and even rural papers have much of it.
